

preceding calendar year. Contributions shall be made by every carrier providing intrastate telecommunications services including, but not limited to: (1) the incumbent telecommunications carrier; and (2) all carriers certified by or registered with the commission pursuant to HRS § 269-7.5(b) or Hawaii Administrative Rules (HAR) § 6-80-18(a) and (b). The commission, at this juncture, specifically excludes payphone providers from contributing to the TRS fund.⁴

Contributors' contribution to the TRS fund shall be the product of their gross operating revenues from the retail provision of intrastate telecommunications services during the preceding calendar year, which is subject to investigation by the commission, and a contribution factor determined annually by the commission.⁵ Each carrier must contribute at least \$37.50 per year. Carriers whose annual contributions total less than \$1,200 must pay the entire contribution at the beginning of the contribution period. Service providers whose contributions total \$1,200 or more may divide their contributions into equal monthly payments. Carriers shall complete and submit a TRS Reporting Worksheet, attached to this Order as Exhibit "B". The worksheet

⁴In the Fifth Report and Order, CC Docket No. 90-571, FCC 02-269, the Federal Communications Commission (FCC) requires carriers to continue to provide coin-sent paid local calls free to TRS users.

⁵The commission will adjust its contribution factor annually which will include, without limitations, future growth rates, revenue base, and uncollectible factor; although the commission intends to evaluate and set the contribution factor annually, the commission reserves the right to change the contribution factor at its discretion.

shall be certified to by an officer of the contributor and subject to verification by the commission at the discretion of the commission. This process is a self-reporting process. Each carrier is responsible for reporting and paying its contribution at the dates designated by the commission.

C.

Contribution Factor

The contribution factor for the period July 1, 2003 to June 30, 2004 is .00375. The .00375 represents, among other things, the estimated cost of the TRS service for the period July 1, 2003 to June 30, 2004 - including the projected growth in TRS minutes of use, an uncollectible allowance, and a reserve margin for the start up of the fund.

D.

Payment Remittance

Sprint has contracted with NECA Services, Inc. to administer the TRS fund. Contributions to the TRS fund shall be payable to "Hawaii TRS" and remitted to the Hawaii TRS Administrator at the following address:

Attn: Hawaii TRS Administrator
NECA Services, Inc.
80 S. Jefferson Road
Whippany, NJ 07981
Phone (973) 884-8011
Fax: (973) 599-6504

Telecommunications Carriers may contact NECA Services, Inc. to identify their preferred method of payment and for further information.

Annual contributions are due July 26th; carriers who owe contributions of \$1,200 or more may pay in twelve equal monthly installments, due on the 26th of each month.

E.

Surcharge to Customers

A telecommunications carrier contributing to the TRS fund may impose a surcharge on its customers, both residential and business, to recover the amount of its contribution. The carrier shall separately and clearly identify and explain on its customers' bills the surcharge assessed for the TRS fund. The surcharge shall not be imposed until at least thirty-days' written notice is provided to the commission.⁶ The notice must specify the amount of the proposed surcharge and the form in which the surcharge will be designated on customers' bills. The commission, as appropriate, may order modification in the amount of the surcharge or in the form of the designation on the customers' bills.

On its own motion, the commission also finds good cause to waive the 30-day tariff filing requirements of HRS

⁶The commission will waive the notice requirement for those carriers imposing surcharges on their July 2003 bills; however notice shall be provided at least simultaneously with the imposition of any surcharge.

§ 269-16(b)⁷ and HAR § 6-80-40 (b)⁸, for those carriers implementing a surcharge to its customers in the month of July 2003.⁹ The commission also recognizes that various telecommunications carriers, who elect to immediately incorporate the surcharges in their July 2003 billing cycles, may not be able to meet the 30-day filing requirements. Accordingly, any tariff filing relating to TRS, implemented in the month of July 2003, shall become effective upon its filing with the commission. However, the commission, as appropriate, may order modification in the amount of the surcharge.

⁷HRS § 269-16 (b) provides, in relevant part: "[n]o rate, fare, charge, classification, schedule, rule, or practice, shall be established, abandoned, modified, or departed from by any public utility, except after thirty days' notice as prescribed in section 269-12(b) to the commission and prior approval by the commission for any increases in rates, fares, or charges."

⁸HAR § 6-80-40(b) provides, in relevant part: "[a] telecommunications carrier shall file its tariff for any partially competitive service or noncompetitive service at least thirty days before the effective date of the proposed service."

⁹HRS § 269-16 provides, "The commission may, in its discretion and for good cause shown, allow any rate, fare, charge, classification, schedule, rule, or practice to be established, abandoned, modified, or departed from upon notice less than that provided for in section 269-12(b). HAR § 6-80-40(d) provides, "The commission may, in its discretion and for good cause shown, allow any tariff for a partially competitive or noncompetitive service to become effective before the expiration of the thirty-day period provided in subsection (b).

IV.

THE COMMISSION ORDERS:

1. Every telecommunications carrier providing intrastate telecommunications service in the State of Hawaii shall contract with Sprint for the provision of telecommunications relay service, for the period beginning July 1, 2003 to June 30, 2006.

2. Every carrier providing intrastate telecommunications service in Hawaii shall contribute to the TRS fund on the basis of gross operating revenues from the retail provision of intrastate telecommunications services during the preceding calendar year, consistent with the terms of this order; the commission, at this juncture, specifically excludes payphone providers from contributing to the TRS fund.

3. Contributors' contribution to the TRS fund shall be the product of their gross operating revenues from the retail provision of intrastate telecommunications services during the preceding calendar year, which is subject to investigation by the commission, and a contribution factor determined annually by the commission, consistent with the terms of this order.¹⁰

4. The contribution factor for the period July 1, 2003 to June 30, 2004 is .00375.

5. The annual TRS funding period commences July 1 and ends June 30 of each year.

¹⁰Although the commission intends to evaluate and set the contribution factor annually, the commission reserves the right to change the contribution factor at its discretion.

6. Annual contributions are due July 26th; carriers who owe contributions of \$1,200 or more may pay in twelve equal monthly installments, due on the 26th of each month.

7. Contribution payments shall be made payable to "Hawaii TRS" and sent to the Hawaii TRS Administrator, consistent with the terms of this order.

8. The commission waives the 30-day notice requirement of HRS § 269-16(b) and HAR § 6-80-40(b) for any TRS surcharge implemented in the month July 2003; however notice must still be provided at the time the surcharge is assessed, consistent with the terms of this order.

9. Any tariff filing relating to TRS, implemented in the month of July 2003, shall become effective upon its filing with the commission, consistent with the terms of this order.

3 disabilities telephone transmission services that enable these
4 individuals to communicate by wire or radio with other
5 individuals in a manner that is functionally equivalent to
6 individuals without such disabilities.

7 The legislature further finds that the means to collect
8 moneys that are assessed to pay for TRS is important to the
9 provision and quality of TRS.

10 The purpose of this Act is to provide the state public
11 utilities commission with greater flexibility in administering
12 and providing intrastate telecommunications relay services in
13 the State.

14 SECTION 2. Section 269-16.6, Hawaii Revised Statutes, is
15 amended to read as follows:

16 "§269-16.6 [Relay] Telecommunications relay services for

EXHIBIT A

1 shall consider the factors of cost, quality of services, and
2 experience, and such other factors as the commission deems
3 appropriate.

4 [~~d~~] (c) If the commission determines that the

10 provision of the telecommunications relay service under the
11 terms established by the commission.

~~[(c) Notwithstanding subsections (c) and (d), relay services for the period beginning July 1, 1989, and ending June 30, 1992, shall be provided by every telephone public utility providing local service, provided that the commission and the provider or providers can agree on the terms and conditions for the provision of those relay services.]~~

3 telecommunications relay services required under this section.

4 (f) The commission shall require every [~~telephone public~~
5 ~~utility, including~~] intrastate telecommunications [~~carriers,~~

9 providing [~~for~~] telecommunications relay services for the deaf,
10 [~~hearing impaired, and speech impaired.~~] persons with hearing
11 disabilities, and persons with speech disabilities.

(g) Nothing in this section shall preclude the commission from changing any rate established pursuant to this section either specifically or pursuant to any general restructuring of all telephone rates, charges, and classifications.

16 (h) As used in this section:

17 "Telecommunications relay services" means telephone
18 transmission services that provide an individual who has a
19 hearing or speech disability the ability to engage in
20 communication by wire or radio with a hearing individual in a
21 manner that is functionally equivalent to the ability of an
22 individual who does not have a hearing or speech disability to

1 communicate using wire or radio voice communication services.
2 "Telecommunications relay services" includes services that
3 enable two-way communication using text telephones or other
4 nonvoice terminal devices, speech-to-speech services, video
5 relay services, and non-English relay services."

6 SECTION 3. Section 269-16.7, Hawaii Revised Statutes, is
7 repealed.

8 [~~"§269-16.7 Telecommunications; expedition of ratemaking~~
9 ~~procedures. Whenever a public utility providing local exchange~~
10 ~~telecommunications services applies for approval of rates,~~
11 ~~charges, or fees in tariffs for specialized services for the~~

DECISION AND ORDER

By this Order, the commission establishes the Telecommunications Relay Services ("TRS") carrier contribution factor for the period July 1, 2007 to June 30, 2008 (the "Period") at 0.0008, and establishes the projected TRS fund size for the Period at approximately \$531,487.

I.

Background

On May 23, 2003, the commission issued Order No. 20193 in Docket No. 03-0058 ("Order No. 20193"), which, among other things, ordered: (1) every telecommunications carrier providing intrastate telecommunications service in the State to contract with Sprint¹ for the provision of TRS for the period beginning

¹In Docket No. 03-0058, the commission selected Sprint Communications Co., LP ("Sprint") as the exclusive provider of intrastate TRS within the State of Hawaii ("State") from July 1, 2003 to June 30, 2006. See Decision and Order No. 20163, filed on April 30 2003, in Docket No. 03-0058;

July 1, 2003 to June 30, 2006; (2) carrier contributions to the TRS fund shall be based upon carriers' gross operating revenues from the retail provision of intrastate telecommunications services during the preceding calendar year; (3) contributions to the TRS fund shall be calculated as the product of the carriers' gross operating revenues from the retail provision of intrastate telecommunications services during the preceding calendar year, which is subject to investigation by the commission, and a contribution factor determined annually by the commission; and (4) the annual TRS funding period commences on July 1st and ends June 30th of each year.

II.

Investigation

By Order No. 23416, filed on May 4, 2007 ("Order No. 23416") the commission initiated the instant proceeding to examine whether to modify the TRS carrier contribution factor and fund size for the Period, established in accordance with Order No. 20193, and updated by Order No. 21049, filed on June 10, 2004, in Docket No. 04-0070, by Order No. 21847, filed on May 31, 2005, in Docket No. 05-0088, and by Order No. 22464, filed on May 12, 2006, in Docket No. 2006-0126. Specifically, in Order No. 23416, the commission proposed to reduce the existing carrier contribution

Order No. 20193. By Order No. 22438, filed on May 1, 2006, in Docket No. 03-0058, the commission extended Sprint's provision of TRS for an additional two years (from July 1, 2006 to June 30, 2008), and approved a price increase for Sprint's services under the extended period.

factor to 0.0008. The commission also proposed a fund size of approximately \$531,487 for the Period, which represents an approximate six-month operating reserve for the fund.

The commission served copies of Order No. 23416 on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"),² Sprint, and all chartered, certificated, and registered telecommunications carriers in the State, except payphone providers,³ at their mailing addresses on file with the commission to solicit written comments. The deadline for written comments to the proposals was May 14, 2007. As of the date of this Decision and Order, no written comments were filed with the commission on any of the commission's proposals.

Upon review, the commission finds the proposals in Order No. 23416 to be reasonable and in the public interest. Accordingly, the carrier contribution factor for the Period shall be 0.0008 and the projected TRS fund size for the Period shall be established at approximately \$531,487.

²The Consumer Advocate is statutorily mandated to represent, protect, and advance the interests of all consumers of utility service and is an ex officio party to any proceeding before the commission. See Hawaii Revised Statutes ("HRS") § 269-51 and Hawaii Administrative Rules ("HAR") § 6-61-62.

³In Order No. 20193, the commission specifically excluded payphone providers from contributing to the TRS fund.

III.

Orders

THE COMMISSION ORDERS:

1. The contribution factor for the Period (July 1, 2007 to June 30, 2008) shall be 0.0008. The projected TRS fund size for the Period shall be approximately \$531,487.

2. Each carrier shall complete and submit a TRS Reporting Worksheet, attached to this Order as Exhibit "A".

3. Annual contributions are due July 26th of each year; carriers who owe contributions of \$1,200 or more may pay in twelve equal monthly installments, due on the 26th of each month, provided that they submit their TRS Reporting Worksheet by July 26th of each year.

4. Carriers reporting \$10,000 or less in gross intrastate retail revenues shall contribute at least \$8.00 for the period July 1, 2007 to June 30, 2008.

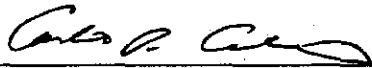

5. Every carrier, except Commercial Mobile Radio Service ("CMRS") providers, shall comply with the 30-day notice requirement of HRS § 269-16(b) and HAR § 6-80-40(b) for any TRS surcharge imposed on its customers, both residential and business, to recover the amount of its contribution. CMRS providers shall place information on their TRS surcharges on their websites, consistent with Decision and Order No. 20890, filed on April 7, 2004, in Docket No. 03-0186.

6. Order No. 20193, filed on May 23, 2003, in Docket No. 03-0058, is amended consistent with the terms and

conditions of this Decision and Order. In all other respects,
Order No. 20193 remains unchanged.
